

Admission procedure for the entrance examination to the 1st mono- or bilingual class of the Progymnasium

Checklist for registration

Due to the high number of registrations and the fact that internal pupils from the preparatory classes also qualify for this programme, we are only able to admit a limited number of candidates to the entrance examination. The admission procedure is accomplished in the following steps:

- Information on our education programmes available on video clip (www.fgz.ch)
- By 7 April 2021 at the latest: a **short written “application”** should be submitted to Vice Principal Christine Aerne (monolingual Progymnasium) or Doron Toggenburger (bilingual Progymnasium) containing
 - personal details (parents and child)
 - school report from February 2021
 - letter from the parents containing
 - a description of the current school situation
 - details of language situation (mother tongue, other languages spoken)
 - reasons for the choice of the Progymnasium education, as opposed to lower school of the Gymnasium or other choices
 - results of the entrance examination for the Gymnasium in the event that this has been taken
 - some indication of the education path they would like to see for their child
- Based on the “application dossier“, a selection of students will be invited to come with their parents for a 30-minute interview in April 2021.
- Decisions regarding admission to the entrance examination are made by the end of April.
